- **Editorial Board Members:**

### Editorial Board Composition

Our Editorial Board is carefully curated to reflect a broad range of subject expertise and a global perspective. The board includes eminent Professors from diverse academic and professional backgrounds, ensuring that all submitted manuscripts are evaluated by highly qualified experts in the relevant fields. This multidisciplinary and international composition allows us to uphold the highest standards of research and to provide comprehensive and fair peer review.

### Editorial - Review Process

The Editorial Board is central to our efficient and rigorous peer review process. All submitted manuscripts undergo a preliminary editorial assessment by the Editors-in-Chief to ensure they align with the journal's scope and quality standards. Submissions that pass this initial review are then assigned to relevant Editorial Board members who oversee the peer review.

We adhere to a strict **Double-Blind** peer review process, where manuscripts are evaluated by at least two independent expert reviewers. The Editorial Board is responsible for ensuring compliance with reviewers' recommendations and maintaining clear timelines for the review process. This commitment to a fair, timely, and thorough evaluation ensures the academic merit and originality of every article we publish.
